Part D 2%

In part D, you will hear one passage. Choose the best answer for each question.

Read questions 11 and 12 before listening to the passage.

Hey everyone, today I am going to tell you about four different ways that e-paper displays can be used. Firstly, they can be used for digital bus stops. They are very efficient and can be powered by the sun. Secondly, e-paper displays are great for helping people find their way around because they are tough and can handle all kinds of weather. They can also be powered by the sun, which helps keep the city looking nice. Thirdly, e-paper displays can be used for menu boards in restaurants, offering a natural look and detailed images. Lastly, gas stations can also use e-paper displays for pricing because they are easy to read under all kinds of light and weather conditions. (May Unit 9)
