W: I know! I can't choose which one to buy.  
M: How about something you can wear on your wrist?  
W: Probably not. I already have a watch.  
M: A nice ring would look great on you as well.  
W: I think I already have enough jewelry.  
M: In that case, I have another idea for you.  
Q: Which product will the woman likely buy? (May Unit 12)

#### Question 2

- B** 2. W: My granddaughter sent me an e-mail yesterday. She had heard about an “AI-powered grandma” who tricks scammers, and it made her think of me. So, she sent me a link to a website about a woman who was cheated and lost all her money. It reminded me how important it is to stay safe online.
