How could a man affect the world? Many people could affect
the world by their ways, Pablo Picasso did so ^{with} his paintings.

Pablo Picasso is best known for his variety of painting styles that
he helped develop and worked in. He was a painter full of

talents and rarely, got rich and famous during his life. We

all have heard of Picasso, but few people know the details

of his life. The book helped me discover the world

that Picasso lived in, and the world of modern arts

that Picasso has created.

How many
artists are
born!
