Indeed, money and power are what many people want in this world. I hope you can get what you want through the correct way. Also, I hope you will have something

Answer the following questions about this book: ^{more besides money and power.}

1. Did you like or dislike the book? Why?

No, I don't like it because it's too many name that ^{I need to} remember

2. Would you recommend this book to a friend? Why or why not?

Yes, I would do so because it's a great story to let you

3. (If the book is fiction) Who was your favorite character? Why? ^{know the history well.}
(If the book is non-fiction) What new information did you learn? ^{when are you}

Never say "I give up" so easily even ^{when are you} face a big difficulty that you think you can't overcome it.

4. If you could change anything about the book, what would you change? Why?

I will decrease some names in the story because I think

^{Just do it many times and you'll get used to the English names.} names written in English is hard to remember.

5. What connection from this book can you make to your personal life? Why did you choose it?

The determination is important, but money and power can make things ^{done} more easier. ^{easily}

My Discovery 心得: (80~100 words)

I think I admire the brain and stamina Magellan had

. But if I get great power and standing by my efforts

, I won't get ^{so} much trouble when I want to realize

my dream; ^{what's} ~~even~~ more, I can complete it all by myself.

Some people may think this is a superficial point, but

who ^{doesn't want} don't want power and money? I think it is a

practical opinion despite the opinion is different from

what the book wants to tell us. I need to study harder

from now on if I want to get power to complete more

things.
