My Discovery 心得: (80-100 words)

Back to the days when black people were helpless and segregated, nobody ^{spoke up for them} made a sound until Martin Luther King, Jr. ~~did~~. He totally changed the way that laws and systems worked and had put lots of efforts in doing all that. It was not easy for a ^{person} ~~people~~ to always care about the whole tribe, the whole nation, even the whole world, but Martin did ~~it~~! He made us believe that if we insist and determine, nothing can ^{stop} ~~stop~~ us. Even now he passed away, his dream still goes on.
