After reading this book, I am deeply attracted by Elvis's charisma. I haven't listened to Elvis's song before, although he was famous. After reading this book, I listen to the song named "Love me tender" which was sung by Elvis, this song is full of love and sweet melody. I think that it's Elvis' magic, his voice made people feel comfortable, and his appearance is very special. I think he is not only a famous singer, but also a man whom people all respect.
