Answer the following questions about this book:

1. Did you like or dislike the book? Why?

I like this book because it tells me lots of things about Albert Einstein that I didn't know before.

2. Would you recommend this book to a friend? Why or why not?

Yes, I would. I think it can make my friend learn a lot.

3. (If the book is fiction) Who was your favorite character? Why?

(If the book is non-fiction) What new information did you learn?

If it's fiction, Albert Einstein would be my favorite character. Because his intelligence made me impressive. And if it's non-fiction, the formula that Albert create and his thought were the new things I learned.

4. If you could change anything about the book, what would you change? Why?

I would change the parts of war because it caused the society in disorder and it almost made Albert Einstein get into jail.

5. What connection from this book can you make to your personal life? Why did you choose it?

Albert Einstein's life tells us we should use our wisdom to discover the new things in the world.

My Discovery 心得 : (80~100 words)

After I read this book, I just wished to be as smart as Albert Einstein. Absolutely, I don't want to have the same life as him. Albert's life reminds me of the passion to discover new things. He invented many things and formula, but they caused the war coming, and made many people die. Though he was the most intelligence scientist in the past, he made a big mistake! He discovered and invented so many things that they made me hard to learn physical!
